

“Downtown Design is the sole platform in the entire Middle East that is dedicated for the region’s trade professionals to find the best high-quality and most innovating designs from all over the world.”

Located in the heart of the Middle East, the prestigious and impressive Dubai show Downtown Design is organised under the sponsorship of Vice Chairman of the Dubai Culture & Arts Author and Her Highness Sheikha Latifa bint Mohammed bin Rashid Al Maktoum.

The fair is owned and managed by the Art Dubai LLC, a joint venture company between the DIFC and Middle East Fairs Ltd. This year’s edition is scheduled to take place from the 14th to 17th November which will be a chief element of the Dubai Design Week. Downtown Design is the sole platform in the entire Middle East that is dedicated for the region’s trade professionals to find the best high-quality and most innovating designs from all over the

world - “The rapidly evolving landscape of the Middle East brings a world of opportunity for international design brands to meet the leading buyers of the region.” For its 5th edition, the fair will be occurring at the Dubai Design District where it will highlight a carefully curated selection of the most ingenious emerging brands that are specialised in a wide variety of product categories, from furniture to lighting, to textiles and accessories.

In other words, Downtown Design is the perfect stage to interact, to connect and to do business.

Through a dynamic and efficient environment, buyers and brands are able to seek extraordinary opportunities, after all, design adds value to life. At the esteemed fair, design enthusiast can expect a cluster of renowned brands and references to headline the event, including the likes of Fendi Casa, B&B Italia, Vondom, Bacarrat, L’Objet, Interiors LLC, Kettaf, Lladro, Minotti, among countless other compelling brands.

Returning to the event is the Buyers Programme which will provide a dynamic platform for pre-qualified trade professionals to discover new brands alongside some of the world’s most established while offering the opportunity for industry learning and peer-to-peer networking.
