Rue Kothari, Show Director of Downtown Design says “We’re delighted to be marking five years of Downtown Design with a show double the size of previous editions. Not only does this reflect the strength of the exhibition and its reputation but also the growth in high-demand sectors of lighting, furniture and textiles. The show continues its rise, while focusing on connecting exhibitors to the region’s leading architects and interior designers. Helping brands and buyers to unlock the potential of the Middle East design market is at the heart of Downtown Design.”

Mohammad Saeed Al Shehhi, Chief Operating Officer of Dubai Design District, commented: “We’re delighted to welcome Downtown Design again to d3 as part of this year’s Dubai Design Week. The success of the show is proof the design industry in Dubai and across the region is growing. Downtown Design alongside d3 during Dubai Design Week is a powerful combination, underpinning Dubai’s position as an essential and dynamic market for local, regional and international brands.

Downtown Design maintains its renowned approach to detail, quality and relevance in selecting brands to exhibit. The 2017 edition sees an increase in the number brands across all categories, with an outstanding 90% retention of key brands; each of which is returning with fresh concepts for the market. This includes sought-after furniture brands Kettal, Minotti, Moroso and Sancal, who between them collaborate with world renowned designers Patricia Urquiola, Sebastian Herkner, Jasper Morrison and the Bouroullec Brothers. Newcomers to the exhibitor line-up include iconic furniture, textile and lighting brands including B&B Italia, Designer's Guild, MDF Italia, Meridiani, Marset, Sans Souci, Santa Cole and Vondom.

The popular Italian Pavilion will feature for the third year running. They will be joined this year for the first time by a Portuguese Pavilion that will present their most innovative industrial design brands.

Each year Downtown Design delivers a carefully considered visitor experience, from the design of the communal areas to the Forum space, which will host a full programme of industry talks. Restaurant and concept store The Light House provide an outstanding F&B offer at the heart of the show, alongside an outdoor, water-side terrace. To deliver this vision, this year Downtown Design has partnered with some of region's most innovative talents: Local Interior Architecture firm LSD to reimagine a new masterplan for the event; leading interior design firm AAC to create the bespoke café and landscape architects Desert Ink to design a unique installation for the entrance to the fair.

Downtown Design's commitment to its exhibitors includes bespoke marketing and public relations tailored to support each brand, and a dedicated Buyers Programme which matches commercial objectives with buyer profiles.
